PRIVACY NOTICE AND CONSENT

This privacy notice and consent relates to an application (the application) you make to a mortgage manager for a loan (your loan) or in which you offered to guarantee the applicant's loan obligations or your loan or a guarantee of the loan. It includes consents from you to disclose certain information to other organisations described below. Your loan may be consumer credit or commercial credit.

The mortgage manager will submit the application to a Funder or the Funder's loan servicer to consider. If the Funder or its loan servicer approves the application, it may seek Funder's mortgage insurance (LMI) cover from a Funder's mortgage insurer or title insurance cover from a title insurer or both in relation to your loan.

In this privacy notice and consent, "credit eligibility information" means information an organisation described below obtained from a credit reporting body or that is based on information obtained from a credit reporting body.

PRIVACY NOTICE

This privacy notice tells you how certain organisations collect information about you, what they use the information for and who they share the information with. If any of those organisations collect information that can be used to identify you, it will take reasonable steps to notify you of that collection.

Organisations that collect information about you

- This privacy notice and consent covers the following organisations that may collect information about you relating to the application or your loan or a guarantee of the loan:
- the mortgage manager (the mortgage manager) through whom you made the application or that manages your loan. That mortgage manager is Synergy Home Loans (Australia) Pty Ltd
- the Funder to whom you make the application or that makes your loan available. The Funder may be any of the following: Perpetual Trustees Victoria Limited ACN 004 027 258, AFSH Nominees Pty Ltd ACN 143 937 936, Perpetual Trustee Company Limited ACN 000001 007 or Perpetual Corporate Trust Limited ACN 000 341 533 (each a funder);
- the loan servicer (the loan servicer) that considers the application or administers your loan for the Funder. That loan servicer is either Advantagedge Financial Services Pty Ltd ACN 130 012 930, Resimac Limited ACN 002 997 935 or Columbus Capital Pty Ltd ACN 119 531 252
- the LMI insurer that considers a Funder's request for LMI cover relating to the application or that gives LMI cover to the Funder for your loan. That LMI insurer is either QBE Funders Mortgage Insurance Ltd (QBE) ACN 000 511 071 or Helia Insurance Pty Limited (Helia) ACN 106 974 305, or Arch LMI Pty Ltd (Arch) ACN 60 601 356 174 (each an LMI insurer) and
- the title insurer (the title insurer), that considers a Funder's request for title insurance cover relating to the application or that gives title insurance cover to the Funder for your loan, and its related entity: the title insurer is First American Title Insurance Company of Australia Pty Limited (First Title) ACN 075 279 908 and its related entity is First Mortgage Services Pty Ltd (FMS) ACN 110 202 429.

Each of those organisations is described below separately as "we" and "us".

The LMI insurers and the title insurer are described together below as "insurers".

How information is collected from you

We will collect information about you from you directly whenever we can. Most information will be collected from the application and from the records we maintain about the products or services you receive from us. We may verify that information from sources referred to in the application or in this privacy notice and consent.

Sometimes an LMI insurer may also collect further personal information about you during the course of the LMI cover provided to the Funder for your loan. The terms of this notice and the LMI insurer's Privacy Policy will apply to the collection, use and disclosure of that information.

How information is collected from other sources

Sometimes we will collect information about you from other sources as the Privacy Act 1988 permits. We will do this only if it's reasonably necessary to do so, for example, where:

- we obtain information (including commercial credit information concerning your credit worthiness or history, consumer information and collection of overdue payments information) from a credit reporting body for any purpose described below;
- we obtain information about your loan or a guarantee of the loan from another organisation described above;

- we can't get hold of you and we rely on publicly available information to update your contact details;
- we check property, you offer as security, through public registers or our service providers; or
- we exchange information with your legal or financial advisers or other representatives.

When the law authorises or requires collection of information

There are laws that affect organisations that may require us to collect personal information about you. For example, we may require information about you to verify your identity under Australian Anti-Money Laundering law.

How your information may be used

A Funder, the loan servicer or the mortgage manager may use information about you for purposes including:

- giving you information about loan products or related services;
- considering whether you are eligible for a loan or any related service you requested;
- processing the application and providing you with a loan or related service;
- administering your loan or any related service, for example, to answer requests or deal with complaints;
- identifying you;
- telling you about other products or services it or its related companies make available and that may be of interest to you, unless you tell them not to;
- allowing it to run its business efficiently and to perform administrative and operational tasks;
- preventing or investigating any fraud or crime or any suspected fraud or crime;
- as required by law, regulation or codes binding it; and
- any purpose to which you have consented.

You can let the Funder, loan servicer or the mortgage manager know at any time if you no longer wish to receive direct marketing offers from them. They will process your request as soon as practicable.

Also, a Funder, the loan servicer or the mortgage manager may use credit information about you to:

- enable an insurer to assess the risk of providing insurance to the Funder or to address the Funder's arrangements with the insurer;
- assess whether to accept a guarantor or the risk of a guarantor being unable to meet their obligations;
- consider hardship requests; and
- assess whether to securitise loans and to arrange securitising finances the Funder makes.

An LMI insurer may use information about you:

- to decide whether to insure a Funder under an LMI policy;
- to assess the risk of you or a guarantor defaulting on your obligations to a Funder;
- to administer and vary the insurance cover including for securitisation and hardship applications;
- to verify information that the LMI insurer collects about you;
- to deal with claims and recovery of proceeds including, among other things, to enforce loan or a guarantee in place of a Funder if the LMI insurer pays out an insurance claim on your loan or the loan you guarantee;
- to conduct risk assessment and management involving credit scoring, portfolio analysis, reporting and fraud prevention;
- to comply with legislative and regulatory requirements including requirements under the Privacy Act 1988 and Insurance Contracts Act 1984 as amended from time to time;
- for a mortgage insurance purpose relating to you; and
- for any other purpose under the insurance policy the LMI insurer issues to the Funder relating to your loan.

The title insurer or its related entities may use information about you:

- to assess the risk of providing title insurance to the Funder;
- for the subsequent administration or variation of the title insurance policy;
- for risk assessment, reporting, fraud prevention, enforcement and claim recovery activities;
- to discharge your existing mortgage over the security property and register your new mortgage over the security property where a refinance is taking place;
- to deal with claims and to enforce a loan or a guarantee in place of a Funder if the title insurer pays out an insurance claim on your loan or the loan you guarantee;
- for a title insurance purpose relating to you;
- to comply with legislative and regulatory requirements; and
- for any other purpose under the contract between a Funder and the title insurer.

What happens if you don't provide information?

If you don't provide your information to us, it may not be possible:

- to provide you with the product or service you want. For example, if information is not disclosed to an insurer, it may not be able to process a Funder's request for insurance. In that case, the Funder may not be able to assess this application;
- for the Funder, loan servicer or a mortgage manager to manage or administer the loan the Funder makes to you;
- verify your identity or protect against fraud; or
- in the case of the Funder, loan servicer or mortgage manager, to let you know about other products or services that might be suitable for your financial needs.

Sharing with credit reporting bodies

If you apply for a product from us, we may request credit reports from credit reporting bodies. Credit reports are designed to assist credit providers to accurately assess an individual's ability to repay credit. We may request credit reports for both consumer and commercial applications. Credit reports contain information which assists us to assess your application, including information about your credit history with other credit providers. Credit reporting bodies can provide us with credit reports in certain circumstances, including when you make an application for credit, or when we are seeking to help you avoid defaulting on your credit.

We are not required to get your consent to do this. An information request will appear on your credit report and may be used by the credit reporting agency or other credit providers to assess your credit worthiness, including when you make subsequent applications for credit. Information requests on your credit report can affect your credit score depending on the amount and type of credit you are applying for, frequency of information requests appearing on your credit report and your credit history.

Sharing with third parties

We may disclose information about you to third parties, in relation to: considering the application; administering your loan; exercising rights relating to your loan; exercising rights relating to your guarantee; or any insurance policy an insurer issues to the Funder relating to your loan or the loan you guarantee. - the customers or the prospective customers of the loan you guarantee;
- payment system operators to allow us to investigate or correct payments on your loan; and
- service providers (including data consultants and IT contractors), agents, contractors and advisers that assist us to conduct our business.

Also, a Funder or the loan servicer may disclose information about you, in relation to other services relating to your loan or your guarantee or its loan products, to others including:

- organisations that maintain, review and develop a Funder's or the loan servicer's business systems, procedures and technology infrastructure;
- organisations that produce cards, cheque books or statements for a Funder in relation to your loan or the loan you guarantee;
